Caleb: http://www.youtube.com/watch?v=VxGQzs22K3s&feature=player_embedded
me: god damnit I'm on Arsenio's side so far
me: that better change
me: oh, good, he said he didn't do gay jokes and then 30 seconds later asked why people get mad about his gay jokes
Caleb: You watched far more than I could.
me: I had to watch o'reilly vs geraldo to get that out of my mind
me: YOU WANT ANARCHY
me: YOU WANT ANARCHY, GERALDO RIVERA
Caleb: I watched the Skinhead brawl video the yesterday.
Caleb: That was pretty awesome.
me: UNCLE TOM HERE
Caleb: Then he was all like, "I'm'a getchoo, sucka."
me: LET'S CALM DOWN FOR A MINUTE
me: OKAY
me: you seen blue velvet
Caleb: Yep.
me: that's a work of art right there
Caleb: He sent it to me to proof it.
Caleb: We killed the story instead.
me: yeah
me: I mean, that's a shame
me: about the story being killed
Caleb: Our corporate masters prefer us to use all the local content we can.
Caleb: But, I mean, c'mon.
me: so
me: gemstone has a new version out
me: in which there is no moderation
Caleb: That's something to think about.
me: yeah
me: you also don't have to talk like a faggot
Caleb: How're you gonna manage?
me: apparently this one guy who's really annoying on the message boards is routinely hunted down and killed
me: HURRRRRRRRR HURRRRRr
me: http://forum.gsplayers.com/showthread.php?t=54060
Caleb: What's the significance of this?

me: this is the guy who is constantly hunted down
me: from DMN today
me: When regulators last went after a Dallas billionaire for breaking securities laws, Mark Cuban swatted down the suit like one of his Dallas Mavericks would a jump shot.
me: also
me: in this gemstone thing
me: people are allowed to run scripts
me: so that their characters hunt and stuff while they're away
me: so they can be jumped
Caleb: They put their characters on autopilot?
me: yep
Caleb: Well.
me: there are also wars and factions and whatnot
me: plus now thieves can steal more stuff
Caleb: I really don't care to hear any more about your little faggot game.
me: You understand that in GemStone IV: Shattered!, there are no rules of any kind against vulgar language, harassment, or adult content! If you are offended or find yourself in an uncomfortable situation, you understand that you may leave the area at any time, either by walking away or by logging out of the game. A GameMaster cannot help you.
me: You understand that in GemStone IV: Shattered!, your character is subject to attack from any other player's character at any time for any reason! This is an open Player vs. Player environment. If your character is killed, even permanently, there is no recourse for getting it back. A GameMaster cannot help you.
